

GURU ORGANIC ENERGY BRINGS A TROPICAL ESCAPE WITH ISLAND BREEZE PUNCH

Montréal, Québec, September 8, 2025 – GURU Organic Energy Corp. (TSX: GURU) (“**GURU**” or the “**Company**”), Canada’s leading organic energy drink brand¹, last week unveiled Island Breeze Punch – a refreshing tropical twist on its flavour-forward Punch lineup that keeps the summer vibe alive well into fall. Rolling out just in time for the back-to-school season, Island Breeze will be available across Quebec at major retailers, as well as online at GURUenergy.com, Amazon.ca and Amazon.com.

Packed with tropical flavour, natural caffeine, and powerful plant-based ingredients, Island Breeze is designed to keep the summer feeling alive while powering focus for what comes next.

“The last bit of summer is a bittersweet moment for many, where summer freedom starts to give way to structure,” said Shingly Lee, Vice-President of Marketing at GURU. “Island Breeze bridges that transition with a taste that feels like a vacation in a can, and Good Energy® you can count on.”

¹ Nielsen, 52-week period ended July 12, 2025, All Channels, Canada vs. same period a year ago.

Island Breeze delivers a refreshing tropical escape with every sip, featuring:

- Natural energy that lasts: 140 mg of organic green tea caffeine + L-theanine for feel-good focus without the crash.
- No artificial sweeteners: Zero sucralose. Zero aspartame.
- Brewed in Canada with organic ingredients.

To support the launch, GURU is activating a vibrant, flavour-led campaign across out-of-home, social media, influencers and ambassadors, campus activations, and community sampling.

For a taste of Island Breeze, visit major Quebec retailers or order online today at GURUenergy.com, Amazon.ca, and Amazon.com.

About GURU Products

GURU energy drinks are made from a short list of plant-based active ingredients, including natural caffeine, and no artificial sweeteners, zero sucralose and zero aspartame. These carefully sourced ingredients are crafted into unique blends that push your body to go further and your mind to be sharper.

Forward-Looking Information

This press release contains “forward-looking information” within the meaning of applicable Canadian securities legislation. Such forward-looking information includes, but is not limited to, information with respect to the Company’s objectives and the strategies to achieve these objectives, as well as information with respect to management’s beliefs, plans, expectations, anticipations, estimates and intentions. This forward-looking information is identified by the use of terms and phrases such as “may”, “would”, “should”, “could”, “expect”, “intend”, “estimate”, “anticipate”, “plan”, “believe” or “continue”, the negative of these terms and similar terminology, including references to assumptions, although not all forward-looking information contains these terms and phrases. Forward-looking information is provided for the purposes of assisting the reader in understanding the Company and its business, operations, prospects and risks at a point in time in the context of historical and possible future developments and therefore the reader is cautioned that such statements may not be appropriate for other purposes. Forward-looking information is based upon a number of assumptions and is subject to a number of risks and uncertainties, many of which are beyond management’s control, which could cause actual results to differ materially from those that are disclosed in or implied by such forward-looking information. These risks and uncertainties include, but are not limited to, the following risk factors, which are discussed in greater detail under the “RISK FACTORS” section of the annual information form for the year ended October 31, 2024: management of growth; reliance on key personnel; reliance on key customers; changes in consumer preferences; significant changes in government regulation; criticism of energy drink products and/or the energy drink market; economic downturn and continued uncertainty in the financial markets and other adverse changes in general economic or political conditions, as well as geopolitical developments, global inflationary pressure or other major macroeconomic phenomena; global or regional catastrophic events; fluctuations in foreign currency exchange rates; inflation; revenues derived entirely from energy drinks; increased competition; relationships with co-packers and distributors and/or their ability to manufacture and/or distribute GURU’s products; seasonality; relationships with existing customers; changing retail landscape; increases in costs and/or shortages of raw materials and/or ingredients and/or fuel and/or costs of co-packing; failure to accurately estimate demand for its products; history of negative cash flow and no assurance of continued profitability or positive EBITDA; repurchase of common shares; intellectual property rights; maintenance of brand image or product quality; retention of the full-time services of senior management; climate change; litigation; information technology systems; fluctuation of quarterly operating results; changes in government policies and international trade regulations; termination of the PepsiCo distribution agreement and the return to a direct distribution model; accounting treatment of the PepsiCo warrants; conflicts of interest; consolidation of retailers, wholesalers and distributors and key players’ dominant position; compliance with data privacy and personal data protection laws; management of new product launches; use of third-party marketing, including celebrities and influencers; review of regulations on advertising claims, as well as those other risk factors identified in other public materials, including those filed with Canadian securities regulatory authorities from time to time and which are available on SEDAR+ at www.sedarplus.ca. Additional risks and uncertainties not currently known to management or that management currently deems to be immaterial could also cause actual results to differ materially from those that are disclosed in or implied by such forward-looking information. Although the forward-looking information contained herein is based upon what management believes are reasonable assumptions as at the date they were made, investors are cautioned against placing undue reliance on these statements since actual results may vary from the forward-looking information. Certain assumptions were made in preparing the forward-looking information concerning availability of capital resources, business performance, market conditions, and customer demand. Consequently, all of the forward-looking information contained herein is qualified by the foregoing cautionary statements, and there can be no guarantee that the results or developments that management anticipates will be realized or, even if substantially realized, that they will have the expected consequences or effects on the business, financial condition, or results of operation. Unless otherwise noted or the context otherwise indicates, the forward-looking information contained herein is provided as of the date hereof, and management does not undertake to update or amend such forward-looking information whether as a result of new information, future events or otherwise, except as may be required by applicable law.
